

# Personal:Sample Script

Enable Script Created: 7/30/2003 2:29:12 PM  
Last Modified: 7/30/2003 2:29:38 PM

```
' This is an example script that does nothing of any consequence.

sub main

5   MsgBox "This is a typical line of code."
   strWhatever = "This is another typical line of code, only much longer, to demonstrate Electrician's line-squeezing ability."
   If True Then
       strWhatever = "This is another typical line..."
       MsgBox "Note that the indentation is on this line is the same as the line above it, despite the font squeezing."
10   'Electrician only squeezes the part of each line comes after the leading spaces, if any.
   End If

   MsgBox "It's pretty cool!"

15 end sub
```
